AMEX, VISA & MASTERCARD ACCEPTED!

Interested in ordering at least 100 of a single design? We can offer a discount on bulk pricing; contact us for details.

Wholesale orders will be drop-shipped from our manufacturer. Our manufacturer makes very nice mounted stamps (some of the best-looking in the industry), indexed in black ink directly on the hardwood mount.

If you desire, and let us know that, the copyright info on the side of the mount will only say "© Lost Angeles Rubber Works"; the stamps available directly from us will also have our web or address contact information, since they're intended mainly for our retail customers.

Wholesale online ordering is at www.larubberworks.com/whlslexp.html and www.aslstamp.com/awhlslexp.html

Contact us if you have any questions!

Here is a list of our best-selling designs over the last couple of years, and where you can find them in the catalog. We sell some of our designs to speciality retailers, and the list reflects this. You may want to try designs that fit in with your store's theme or your customers preferences.
